Take home Learning (Homework)

Your child will bring a RED folder home each afternoon. It will have pockets labeled "Return to School" for homework and "Keep at Home" for school announcements and completed assignments. Folders should be returned to school each morning.

Nightly Reading:

Students will receive a book or two each day in class to share with you each evening. They should read to you (or with you if more appropriate). When finished, please sign their reading log. Signed logs will earn points towards our **Book It** Reading Program that starts October 1st.

Math:

We will do one lesson per day in our math series. Students will complete side A in class. They should then practice skills at home on side B.

Family Projects

Our September Family Scrapbook pages are wonderful! You did a great job. I am putting our "book" together and then students will have the opportunity to take it home and share it with you. Everyone will have a chance to bring it home and read it. We will then add it to our classroom library.

Our October family project is a pumpkin decorating activity. Please help your child decorate the provided pumpkin. You can use anything you have at home. Be creative. If you would like to write a pumpkin adventure to go with it, please do. Students will share them with the class when they are returned and then they will be displayed on our bulletin board.

They are due October 23rd.

Parents In the Classroom

There are several parents and grandparents who would like to help in our classroom. We LOVE helpers in Kindergarten!

I am going to have an adult volunteer training on Monday, October 21st at 12:45 PM. If you are interested in coming to work in kindergarten, please put the 21st on your calendar. We will discuss projects, learn how to work effectively with kindergarteners in a classroom setting and put together a volunteer schedule.

October Site Words:

we my like he for me
black orange

Please help your child read and spell these words every day!

The Giving Tree
