

## **Reading Fluency How-To Directions**

- 1. Read the entire passage-this is not timed**
  - a. It can be read out loud or silently
- 2. Answer the comprehension questions**
- 3. First read**
  - a. Set time for one minute
  - b. Students will read out loud
  - c. Parents keep track of reading errors made
  - d. If a student does not know a word, you can tell them or they can skip it. (This will count as an error)
  - e. NAMES DO NOT COUNT AS ERRORS, whatever name is said is good.
  - f. When time is up, the student will put a line after the last word they read.
  - g. Fill in the chart.
    - i. Count all the words they read
    - ii. Subtract the errors
    - iii. Get the Words correct score
- 4. Second read-repeat this process**
  - a. the goal is to increase the words correct score
- 5. Return with the entire packet to school, on or before Friday!**

We have practiced this at school, but please contact me if you have any questions!
