

September Family Project:

Dear Families,

In our room, we talk about our school family and our home families. Home families are the people who care for us and keep us safe at home (they can include critters too!) Our school family is the people who care for us and keep us safe at school.

Attached is paper for a home family album. Please use the pages to add photographs or drawings of your family. Please do not use more than the 4 pages I'm sending, You don't have to use them all. You can add your own stickers, decorations, and/or journaling to each page.

Each child will have the opportunity to share his or her album before we put all the pages together to create a whole class "Home Family Album" Please return your album pages anytime before Wednesday, September 20th.

*Thanks for your help and happy "albuming"!
